

A Message from our Group CEO

Dear Patron,

I am writing to you to give an update on Ole-Sereni Hotel's response to the COVID-19 (Coronavirus) pandemic. As countries around the world implement measures to safeguard their people and communities, we at EMARA Ole-Sereni and Ole Sereni Hotel are also doing our part.

We are moving all guests to Ole-Sereni Hotel for ease of management, seamless service delivery and your utmost comfort. We have ceased all operations at EMARA Ole-Sereni. The same applies to Duma Health Club and Eagles Steakhouse at Ole Sereni.

I want to assure you that Ole-Sereni Hotels are following and monitoring the evolving developments closely and will provide updates in line with the Kenyan Government directives.

We look forward to hosting you soon and we assure you we are taking every measure possible to ensure your wellbeing and safety, our utmost priority.

Thank you for your continued loyalty and support.

Ghulam Samdani
